

Friends of Walden

An Invitation to Volunteer and Become a Friend of the Walden Chamber Music Society

Everyone needs a friend! The Walden Chamber Music Society is no different. The WCMS is dedicated to presenting classical chamber music in the Upper Arkansas Valley performed by world-class professional musicians at an affordable price. Providing these high-quality performances takes time, effort and many hours of work. Therefore, WCMS is starting a volunteer organization called **Friends of Walden**. Like all good friends, our volunteers will offer to lend a hand when needed.

The opportunities to help will vary and may include:

- Providing housing and food for visiting musicians
- Helping with special events
- Helping with mailings
- Assisting with school activities
- Making phone calls
- Preparing food for receptions
- Concert-day help – ticket taking, ushering

All help is appreciated. Volunteers can participate as much or as little as their time allows in activities of their choice. If you are interested in being a **Friend of Walden**, e-mail or send your completed form to bhaxby@gmail.com or Barb Haxby Brady, 30440 Mountainside Dr., Buena Vista, CO 81211

**The Walden Chamber Music Society has been a wonderful friend to
music lovers in this valley – come be a friend to Walden!**
